## Brothers...

They tease you when they have  
nothing else to do,  
burp their alphabets to gross you out,  
tackle you just for fun,  
pull on your pony-tail and ask  
"does this hurt you?",  
hug you when you are sad,  
encourage you when you are down,  
love you no matter what,  
and are always are there to  
make you laugh...

who could live  
without them?
