## The Crucible

### Anticipation Guide & Reflective Writing

**Character**

Character is like a tree and reputation like a shadow. The shadow is what we think of it; the tree is the real thing.

Sometimes paranoia's just having all the facts.

The only thing necessary for the triumph of evil is for good men to do nothing.

Character is responsible for her intelligence and pride. For that reason, that reverence of shame, the duty and adherence of her name.

Be honest concerned with your character than your reputation. Because your character is what you really are, while your reputation is merely what others think you are.

**Reputation**

Reputation is what we think of you. It is the shadow of your character. It is what you are seen to be, not what you really are. It is what you are seen to be, not what you really are. It is what you are seen to be, not what you really are.
