Marcos Alvarez
Northeast District Manager
ABC Company, Inc.,
456 Career Ave
New York, NY 10011

Dear Mr. Alvarez:

Having a long track record of exceeding sales quotas and recently completing my MBA in marketing from New York University, I believe I am the ideal candidate for the Sales Manager position you have advertised on indeed.com.

As noted in my attached resume, I have extensive experience driving growth and development. In my last position as Lead Sales Representative for XYZ Company, I created key sales material, mentored and trained a team of new sales reps and added 30 new accounts through referrals. My team's revenue doubled during the last quarter under my leadership.

I am very interested in discussing this opportunity during an interview. After reviewing my resume, should you feel my qualifications are a good fit for your company, please contact me at your convenience.

Thank you for your time and consideration. I look forward to hearing from you soon.

Sincerely,

John Jobseeker
